

Our Commitment to Diversity, Equity and Inclusion, and Justice

The Arundel Rivers Federation is committed to fostering, cultivating and preserving a culture of diversity, equity, inclusion and justice so that everyone in our community benefits from our actions to ensure a healthy and sustainable environment throughout the South, West and Rhode Rivers.

We value and celebrate the differences that can make the federation even more vibrant and effective. In an ongoing effort to accomplish our mission more fully and to work towards inclusion, equity and justice in all that we do, the Federation will build and integrate this commitment into its vision, organizational structure, board, staff, policy goals and strategies.
